Complex Document Example

A demonstration of various formatting features

1. Introduction

This document demonstrates various formatting capabilities including text styles, alignment, lists, and tables. The purpose is to test the rendering accuracy of our document converter.

2. Text Formatting

This section shows **bold**, *italic*, and colored text.

3. Key Features

- Multiple text formatting options
- Table support with borders
- Various page sizes
- Paragraph alignment

4. Sample Data

Item	Quantity	Price
Product 1	10	$9.99
Product 2	20	$19.98
Product 3	30	$29.97

5. Conclusion

This document has demonstrated various formatting features. A good document converter should be able to render all these elements accurately.
