DEAR ROWAN MURPHY

I'm excited to apply for the Graphic Designer position at Em + En Design. With years of experience working with cross-functional teams at Sundara Design Co., Prem Rekhaen, and Kala Aaj, I've led projects that span branding, editorial design, and integrated campaigns. My passion for design, paired with my skills in visual communication and project management, allows me to bring creative concepts to life while meeting client goals.

At Sundara Design Co., I've had the opportunity to collaborate with diverse teams and bring my design vision to a wide range of media channels. I'm confident that my expertise, from concept development to execution, would be a great asset to your team. I'm drawn to Em + En Design's focus on inclusivity and diversity and would love the chance to contribute to your creative projects.

Thank you for considering my application. I look forward to discussing how I can contribute to your team's success.

BEST REGARDS,

MANASI GOYAL
