DEAR NOA VIDAL,

I am excited to apply for the Phlebotomist position at Bloom Naturopathic Medicine. With several years of experience working at healthcare facilities like Lamna Healthcare, Wholeness Healthcare, and Swan Sonia Healthcare, I have developed strong technical skills in venipuncture, capillary puncture, and laboratory procedures. I also hold an associate degree in Phlebotomy from Bellows College, where I gained in-depth knowledge of medical law, ethics, and patient care.

Throughout my career, I have been recognized for delivering exceptional patient care while strictly following established protocols for blood sample processing. My ability to work efficiently in fast-paced environments and manage patient privacy ensures that I provide the highest quality of service. I am eager to bring my expertise and commitment to patient-centered care to your team.

I look forward to discussing how my skills and experience align with the needs of Bloom Naturopathic Medicine. Thank you for your time and consideration.

SINCERELY,
