+ Dear Jozi Kos,

I am writing to express my interest in the General Practitioner position at Sydney Mattos MD. With a Doctorate in Medicine from Jasper University and several years of experience in both family medicine and community health, I am confident in my ability to contribute to the continued success of your practice.

In my current role at Lamna Health, I manage diverse patient caseloads, implement evidence-based medicine for accurate diagnoses, and lead a community health fair that provides free health screenings to over 200 residents.

At Tyler Stein MD, I led a successful smoking cessation program, which increased quit attempts by 30%. I am committed to delivering high-quality, patient-centered care while focusing on health promotion and chronic disease management. My clinical diagnosis skills, paired with my ability to effectively use electronic health records, ensure that I can provide efficient, compassionate care to my patients.

I am particularly impressed by Sydney Mattos MD's focus on family health, and I would be honored to bring my medical expertise and dedication to your team. Thank you for considering my application. I look forward to the opportunity to discuss how my qualifications align with your needs.

Sincerely,
Alexander Martensson
