ELECTRICAL ENGINEER

Objective

When writing an electrical engineer's objective for a resume, make sure to clearly state your career goals and highlight your relevant skills and experience. Keep the objective brief, no more than two sentences, and use specific language that emphasizes your expertise in the field of electrical engineering.

Teaching experience

When you list courses, include a brief description so that the course can be compared to a similar course at another university. You might want to include the typical number of students in the course as well as list your responsibilities such as developing course materials, lecturing, grading, developing the syllabus, etc. How you decide to list or group your courses, skills, teaching methods, roles, and responsibilities will depend on your amount of experience. The examples below are just a few ideas.
